**PTA Reflections Creative Art Contest.** All Students Encouraged to Participate! Some teachers give this as a class assignment, and others will give extra credit to students for entering. This year's theme is "Within Reach," with six categories: Dance Choreography, Film, Literature, Music Composition, Photography and Visual Arts. Students may enter one or more categories. Work must be original, inspired by the theme and be the work of only one student. Entries will be judged on how well the student uses their artistic vision to portray the theme, creativity and originality. See entry form attached to last week's email, or click on this link:

Visual arts entries will be displayed at the school and all the entries will be judged in November.
