CARVER MIDDLE SCHOOL

George Washington Carver is a diverse middle school with a focus on academic excellence through a rigorous, internationally recognized IB Middle Years Programme. Carver students excel as citizens, problem-solvers, collaborators, and athletes that benefit from engaging learning opportunities in the classroom with their talented teachers and off-campus with a range of extracurricular options and experiential learning opportunities.

CARVER/NOFARIM EXCHANGE
CHINESE CONFUCIUS INSTITUTE

AWARDS/ RECOGNITIONS

IB MIDDLE YEARS PROGRAMME
2006 AND 2011 NATIONAL BLUE RIBBON SCHOOL

THE INTERNATIONAL BACCALAUREATE MIDDLE YEARS PROGRAMME (MYP)

The IB Middle Years Programme is a challenging framework that encourages students to make practical connections between their studies and the real world. The MYP is a five-year program, which can be implemented in a partnership between schools, or in several abbreviated (two, three or four year) formats. Carver partners with Booker T. Washington High School to offer the five-year program.

“I came to Carver because of its academics: I want to eventually go to medical school to become an obstetrician, and Carver will help me get there. I love that I have a diverse group of friends and amazing teachers who help me to do the best I can academically.”

– Carver Middle School student

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At Carver Middle School, the 2021 Bond for Tulsa Public Schools includes:

- » New roofing, parking lot resurfacing, and improvements to exterior lighting;
- » Upgrades to the auditorium lighting and sound system and new stage curtains; and
- » Improvements to the school's science labs and investments in STEM equipment.
